

April 7, 2020

Dear Members –

A message from Washington Indian Gaming Association Executive Director,
Rebecca Kaldor:

In light of the current climate we know meetings, travel and large events are not your first priority but we want you to know that for the Washington Indian Gaming Association, the safety and wellbeing of all our attendees, vendors and their families is our top priority. With this, we have made the decision to postpone the upcoming Northwest Indian Gaming Conference and Expo scheduled for June 22-24, 2020 until further notice. At the current time, we are NOT cancelling this year's Conference but rather continue to monitor the information and direction from the CDC and the Washington State Health Agency. We will keep you apprised of the tentative new dates as we have a more definitive timeline.

We value all of our members, sponsors and dedicated attendees and are thankful for your continued partnership.

Stay Healthy,

Rebecca Kaldor

Executive Director
